TNT AUSTRALIA

DELIVERIES JUST GOT EASIER WITH TNT LOCAL EXCHANGE

TNT Australia's new TNT Local Exchange service delivers on our commitment to make parcel pick-ups and returns as easy as possible.

TNT Local Exchange offers a comprehensive national parcel delivery network of approximately 1,000 local businesses to give receivers the ability to collect or return their TNT parcel at a time and location that's convenient for them

What is TNT Local Exchange?

Where TNT is unable to complete the delivery of a parcel to the receiver's address, TNT may deliver the parcel to a TNT Local Exchange for collection by the receiver*.

The TNT Local Exchange service is a national partnership network made up of NParcel's independent newsagents – many with extended trading hours and seven-day-a-week accessibility. It's an innovative solution that puts you and your customers in control.

Real-time tracking and notifications available online and delivered via TNT's mobile web services give you and your customers up to date information on a parcel's location and expected time of delivery. TNT Local Exchange partners carry out identification checks when parcels are collected to provide security and peace of mind.

Benefits of the TNT Local Exchange service

Providing greater choice and more convenience, some of the many benefits of TNT Local Exchange include:

- Choices receivers decide where and when to collect/drop off their parcel
- Control & visibility stay connected and up to date with real-time notifications and tracking: online and via the free TNT app
- Convenience saves time and avoids the frustration of missed deliveries
- Reliability safe, reliable and secure Australia-wide network
- **Expertise** with over 65 years' worth of experience in logistics and transportation, we are continuously designing new solutions so you can focus on your core business

*Conditions and limitations apply, including limitations to size, weight and number of parcels; see www.tnt.com.au for further details and applicable terms θ conditions.
